About me

Hi, my name is Đina Matić. I'm a Computer Science student at Računarski fakultet, with a strong interest in backend and web development. Through my studies and personal projects, I've worked with technologies such as Java, Node.js, and React, focusing on building functional and user-friendly applications. I enjoy problem-solving, learning new technologies, and improving my skills through hands-on practice. Currently, I'm looking for internship or entry-level opportunities where I can gain real-world experience, contribute to a team and grow as a developer.

Also proficient in Adobe Photoshop and Illustrator
